

Business portal - Making booking faster and easier than ever before

RelyOn Nutec would like to invite you to try our newest application, the business portal. It is our new booking solution, and that will make booking faster and easier than ever before.

It is built in close relationship with our customers and on best-practice process from our FSD booking solution and KnowHow.

The key benefits are:

- Access to both physical and digital courses
- Access 200+ e-learning courses
- Manage bookings 100% digitally
- Instant confirmation for all bookings
- Access to adaptive learning capabilities

And we have many more features and functionality in the pipeline.

Optimised user experience

The portal is your business' gateway to all RelyOn Nutec courses. And it is customisable. You can save your favourite courses and other preferences and set up a dashboard specifically tailored to your needs.

Based on customer feedback, we have designed a portal with usability at its core. Some of the new features are:

- Booking flow optimised to minimise the number of clicks
- Dashboard with your favourite courses
- Search functionality improved to remember filters
- Calendar overview when booking multiple courses
- Improved course list view with the availability of physical courses + start/end time
- Improved re-scheduling flow

The goal is to make your training booking process quicker and more efficient.

Try it out for free

To launch the portal, we are offering businesses a chance to try the portal for free. You can access the portal from February.

Sign up, get free access, and have a look at RelyOn Nutec's fully digital booking solution.

Special pre-launch offer includes:

- First 2 months FREE unlimited access to e-learning
- No upfront costs – pay as you go
- No commitment option: easy set-up and easy cancellation, no notice period!
- Technical support included
